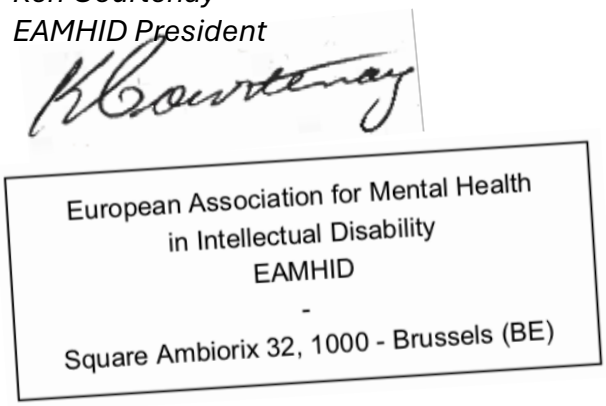
Endorsement for the Third Mental Health and Intellectual Disabilities Conference

As President of the European Association for Mental Health in Intellectual Disability, I'm writing to provide the Association's official endorsement for the III Mental Health and Intellectual Disabilities Conference: Let's Do It Together! Evidence of Coproduction in Improving Mental Health for People with Intellectual Disabilities, that will take place in Girona (Spain) on the 29 of May 2025.

This year focus on coproduction as a key approach in the care and support of individuals with intellectual disabilities and mental health challenges is in line with EAMHID's work and priorities and we are happy to support this important event for the scientific community.

Sincerely,


Ken Courtenay
EAMHID President
